

SOURCE

- (1) Aerial photo interpretation by Berg.
- (2) Limited reference to 1960 state map compilation sheet.
- (3) Files of Coal Section, Pa. Geol. Survey.

EXPLANATION

- Pa Allegheny Gp
- Mb
- Pp Pottsville Gp
- Mb Burgoon Ss.
- MDhm Huntley Mountain Fm

NOTE: Inspection of aerial photos indicated a sandstone unit above base of Pp as mapped here; that unit may be a subunit of Pp (probably Homewood Ss.) or the real base of Pp, making Mb a larger unit. Mapping here is judged to be consistent with mapping in surrounding areas, but detailed field mapping is required for a greater level of confidence.

Mapped, edited, and published by the Geological Survey
Control by USGS and USCGS
Topography from aerial photographs by photogrammetric methods
Aerial photographs taken 1958. Field check 1959
Photonic projection. 1927 North American datum
10,000-foot grid based on Pennsylvania coordinate system,
north zone
1000-meter Universal Transverse Mercator grid ticks,
zone 17, shown in blue
Fine red dashed lines indicate selected fence and field lines
visible on aerial photographs. This information is unchecked
Revisions shown in purple compiled in cooperation with
State of Pennsylvania agencies from aerial photographs
taken 1971. This information not field checked
